TERMS OF SALE

¶ Orders from unknown correspondents must be accompanied by cash or satisfactory references.

¶ **TERMS:** NET CASH. No discount. To customers of approved credit accounts will be rendered on the first of each month, and are subject to sight draft on the twelfth, if remittance does not reach us by that time. unless otherwise agreed upon.

¶ We will not substitute unless privileged to do so by purchaser. Customers will save time to give second choice of any variety should we be out of their first choice.

¶ Not less than five plants at the hundred rate, and when quoted at hundred and ten rates, not less than twenty-five and three respectively. Quantities less than five or three wlll be charged at an advance.

¶ All goods are offered subject to being unsold on receipt of order, and we reserve the right to advance prices without notice.

¶ Customers are requested to state mode of conveyance by which they desire their plants forwarded. The Dominion, Canadian and American Express Companies, and the G. T. R., C. P. R., and T. H. & B. Railway, connecting with M. C. R., all operate from Hamilton.

SELECT ROSES

The list of Roses offered you comprises varieties that have been thoroughly tested and will prove satisfactory in this climate. Several of the newer varieties have been added this year to our list, which you will find a very complete one.

While we carry one of the largest stocks of Roses in Canada, still it is not advisable to leave off sending in your orders till the last moment.

Place your orders early and the stock will be reserved for you.

Hybrid Perpetual Roses.

Soliel d'Or (Golden Sun). Color from orange-yellow to old gold; large and distinct; a splendid rose.
Ulrich Brunner. Cherry crimson, large size, fine form.

Hardy Hybrid Tea Roses.

This class of Rose blooms constantly from early summer until late fall. The variety offered will be found to give unusual satisfaction, as they are all strong growing, free blooming, beautiful sorts. They are not quite as hardy as the Hybrid Perpetuals, requiring protection during the winter, but their constant blooming qualities will repay the little extra care required to protect them.

Hardy Hybrid Tea Roses—Continued
